

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

UNITED STATES OF AMERICA,

No. 20-30163

Plaintiff,

District Judge Gershwin A. Drain
Magistrate Judge R. Steven Whalen

vs.

Defendant.

_____ /

ORDER CLARIFYING CONDITIONS OF BOND

Defendant Charles Donald Mok has filed an emergency motion to modify conditions of pretrial relief [ECF No. 10]. The Honorable Gershwin A. Drain denied the motion in part, but referred the portion of the motion seeking clarification as to that portion of the conditions restricting Dr. Mok's practice consistent with the executive orders in states where he practices.

Insofar as it seeks clarification, the motion [ECF No. 10] is GRANTED. The Court will amend and clarify the conditions of pretrial release as follows:

"Defendant will comply with the executive orders in any state in which Defendant practices regarding restrictions on non-essential and/or non-life supporting medical procedures, and any other restrictions on medical practice imposed by those states."

All other conditions remain the same, including that the Defendant "cannot perform any Vitamin C IV infusion at any of his locations or any affiliated locations, to

include IV Drip in Birmingham, MI.”

IT IS SO ORDERED.
